1.3.1 Institution integrates cross cutting issues relevant to gender, environment and sustainability, human values, health determinants, Right to Health and emerging demographic issues and Professional Ethics into the Curriculum as prescribed by the University/respective regulative councils. The Institution enriches curriculum on issues relevant to gender, environment and sustainability, human values and professional ethics by incorporating few topics in the curriculum. Besides, the institution organises programmes and reinforces issues like gender sensitisation, environment, sustainability, human values and professional ethics by organising guest lectures and other programs periodically. Ethics and human values are important dimensions of homeopathic profession. The code of ethics prescribed by the regulatory bodies as well as professional association serves as a guiding spirit in distinguishing between right and wrong. The NSS unit of the college hosts national integration camps wherein renowned experts are invited to talk on the issues like Swachha Bharat, life skills, disaster management, Food adulteration and environmental protection. Further, all the field activities are planned with focus on gender equity, woman empowerment, human values and Indian culture. The students also participate in tree plantation and its survival are orientated about the topics on environment sustainability including preservation of water and proper use of environment resources. The college identifies crosscutting issues and incorporates programs. The college promotes gender equity in curriculum and in extracurricular activities for both staff and students. The college strictly follows government rules for disposal of biomedical wastes. Colour coding is available for segregation before disposal. Rain water harvesting is available to reutilize the stored rain water for the future needs. Waste water recycling is done in the campus which is treated and reused for gardening and other purposes in washrooms and home purposes. practices for curriculum enrichment. The institution organises orientation & induction programs which address the situation and need of both men and women with a view to support gender equity, work life. For this experts are invited from NGOs, spiritual missionaries and voluntary organisations.

Sharadchandrali Pawar Homoeopathic Medical College and Hospital, Shrirampur

1.3.1 Curriculum Enrichment

Until the reality of equality between man and woman is fully established and attained the highest social development of mankind is not possible (Abdu'l-Baha)

To develop ambidextrous personalities sincere efforts are taken by MHMC to integrate gender equality, environment & sustainability, human values, professional ethics into the curriculum. With an objective to strive towards the development of each student in academics as well as in core human values activities are conducted throughout the year.

Gender equality

Equal opportunities are given to female & male students. They are motivated by the faculty to participate in various programme.

Vishakha committee is implemented to resolve issues related to females & their safety . Gender and social equality is nurtured in the students by training them through various modules related to the subject e.g. Ruhi Book and Trellis Workshop.

Environment & Sustainability

Various seminars/workshops /environment days are organized to sensitize students towards the risk posed by climate change , seasonal deregulation, ecological distortion, bio diversity and its social economic effects and various environmental hazards. Thoughts and idea on sustainability & development are percolated to students by conducting field visits to dairy farm, water filtration plant, tree plantation, vanmohatsav program, swachata abhiyaan, save water, solar system, E - vehicles charging station etc.

Human Value

Foundations of mankind are the human values which distinguish us from animal kingdom. To nurture the budding homeopaths and to evolve them into a near perfect human being who can discover his/her individual purpose of choosing the noble medical profession, at MCHC Trellis Institute Nasik conducts workshop on ethical education. Ruhi Book I participatory workshop is another such initiative to enhance as well as enrich students to rediscover the human values and subsequent qualities.

Professional Ethics

Students are trained in professional ethical standards from 1st year onwards to serve the patients. 11nd year students are taught medical jurisprudence. For 111rd- IVth year soft skills development is undertaken by them recording patient data in most scientific and polite manner. During internship students practice ethics.

Health Determinants

Sound health of an individual is determined by the perfect harmony between state of mind which is reflected in behavior pattern, social influence on mind and body, effect of biological and non biological factors on human body

An environment of peace, mutual respect and positive mindset prevails in our modest campus with basic amenities.

Transportation is provided to students.

By 1st year itself, via evaluation each student's strengths are enhanced.

Right to Health.

A complete holistic health is a fundamental right of every human being irrespective of cast, colour & creed or sex bias. A state of art medical facilities such as X ray, ECG, Sonography, indoor admission, OPD etc free of cost are offered. Boarding students are provided with clean drinking water, well ventilated classrooms, restrooms, recreational room, nutritious as well as hygienic food in the college canteen.

Emerging Demographic issues

Emerging issues such as women's health, cancer, tuberculosis, water and air borne diseases, pandemics like Covid are taken in consideration. Multiple programmes are organized in the form of medical, mother-child health , cancer camps .

1.3.1 List of Courses with their description

Issues identified	Course (Program)	Apropos
Gender Equality	BHMS	<p>Gender and Social Equality is nurtured in the students by training them through Module related to</p> <ul style="list-style-type: none"> various events of College, cultural program, sports events . Subject:- Educational visit of your IVth BHMS(2015) students to our milk
Plant under the department of community medicine.

Respected sir,

With reference to above subject we want to inform you that your college teachers
Dr. Riyaz Patel (lecturer from the department of community medicine) along with IVth BHMS
students visited our milk plant under the department of community medicine.

Our staff has given detailed knowledge to them regarding milk pasteurisation and
milk products, etc which will help them in their curriculum.

LAB REPORT

AGE/SEX: 21YRS Male
SAMPLE COLLECT/TIME: 30/08/2023 11:30
REPORT DATE/TIME: 31/08/2023 12:30

COMPLETE BLOOD COUNT

TEST	UNIT	REFERENCE RANGE
1. RBC	gm/dl	14.15 gm/dl
2. WBC	mill/cmm ³	4.5-6.5 mill/cmm ³
3. PLT	Cells/cmm ³	4,000 - 11,000 Cells/cmm ³

TEST	UNIT	REFERENCE RANGE
4. Hb	%	40 - 54
5. RBC	70 - 96	
6. WBC	27 - 32	
7. PLT	32 - 38	

TEST	UNIT	REFERENCE RANGE
8. ESR	mm/h	0-20 mm/h
9. Hct	%	40 - 70
10. MCV	fl	20 - 45
11. MCH	g	0 - 6
12. MCHC	g/dl	0 - 8
13. RDW	%	0 - 1

TEST	UNIT	REFERENCE RANGE
14. Urine Output	cmm/1 hr	1,50,000 - 4,50,000
		00-72
